

Welcome to 5th & Market Photography Mini Sessions!

"Stephanie shines with creativity and goes above and beyond to make sure each mini photoshoot is unique to the wants of her clients. From summer lemonade stands to a classic 1949 red Chevy truck filled with hand wrapped presents, each photo comes to life to create life long keepsakes."

Thank you for having interest in my Mini Sessions! I take a lot of pride in these and no matter how much work and planning goes into them, they're still my favorite thing to daydream about. I hope to see you at my next one!

xo,  
Stephanie

Each mini session is 20 minutes long with ten minute intervals between each client. Hair and makeup is provided as well and with that option the client needs to arrive one hour before their scheduled slot. Please type in the quantity of items you request.
